SBDB Pty Ltd trading as Lend Me is licensed under the National Consumer Credit Protection Act 2009. This document provides you with information about us, our representative with whom you are dealing and the services we provide.

Our assistance process

We are required by law to ensure that any credit product with which we assist you can be deemed “not unsuitable” for you. In simple terms, this means that the product fits your needs and that you can afford to meet the financial repayments.

To establish this, we need to:

- make enquiries with you as to your needs;
- make enquiries with you as to your financial position; and
- collect evidence from you to verify your financial position.

Once we have done this, we will then use our broking expertise to find a product in the market place that you can afford and that meets your needs.

We can provide you with a report – called a Preliminary Assessment – on how we determined that any loan we assisted you with was not unsuitable for you. You may request this report up to seven years after we provided you with this assistance.

Our Top 6 credit providers

We source credit products from a range of banks, lenders and other credit providers. However, at present, we write the most loans with the following banks, lenders and other credit providers:
This is not to say that we will only deal with these lenders, it is simply that the products these lenders offer have been most suitable to our most recent clients. Your case may be different and we would look at your needs separately and independently of the above list.

How do we get paid?

We are paid a commission directly from the lender. The lender may pay us a percentage amount upon settlement of your loan and may pay us an ongoing percentage amount for the life of your loan.

These amounts are paid to us by the lender and ARE NOT payable by you. If you are interested and want an estimate of what our commission payment will be and how it is worked out, please just ask us and we will be only too glad to provide you with this information.

Our Aggregator

We use the services of a finance *aggregator* in order to gain access to many different Australian lenders. In return for this service, our aggregator charges us a share of the commission paid to us by lenders. If you are interested and want an estimate of what the aggregator’s commission share will be and how it is worked out, please just ask us and we will be only too glad to provide you with this information.

Complexity Fee

We may also charge you a direct fee of between $500 and $1,500 for our services. The fee payable will depend on the complexity of your situation but will be separately disclosed to you in our *Credit Quote* that we will provide for your signoff before we proceed with actually assisting you. In any case, the fee will be no greater than $1,500.

Referral fees

In some cases, your business may have been referred to us by non-regulated third parties such as real estate agents, accountants, financial planners etc. Where this is the case, we *may* pay a referral fee to these parties. If we do pay a fee to these parties, then 1) they should already have told you about this; and 2) we will either disclose the actual fee in our final documentation with you or we will instruct you that, if you want to know, you can ask us about the fees and we will tell you how much was paid and how it was worked out.
